

# school run is fun

## Junior Road Safety Officer wanted

East Riding of Yorkshire Council is looking for year 5/6 pupils to act as Junior Road Safety Officers in your school. The job will last for 1 year and you will help pupils in your school to learn about keeping safe on or near the road.

There will be lots of fun things to do, including:

- Assemblies : promoting various road safety initiatives
- Competitions : word searches, crosswords, colouring and drawing pictures, designing posters
- Design your own road safety Notice Board
- Keep a Calendar updated with various road safety initiatives throughout the year

We are looking for pupils who are outgoing with lots of ideas to promote road safety in the school. You must not mind speaking in front of other pupils and adults. If you want to help others be safe on or near the road then you could be the person for the job.

You can get a form to fill in from your teacher.

## good luck!
